- Currently undergraduate (3rd-4th year) or Master's or Doctoreate students in any fields
- Age above 18 years
- Must be proficient in English language
- Physically and mentally fit with no contagious disease, disability or condition
- Have received at least one dose of a COVID-19 vaccine
- Have the "Passion" in bringing scientific knowledge to develop research in the laboratory

Application Periods:

- Round 1: 1 February - 29 February, 2024
- Round 2: 5 March - 5 April, 2024 (Subject to availability)

Please note that all students will be responsible for the following expenditure by themselves:

- Living allowance
- Electricity and water bills at the dormitory
- Passport fee at own country
- Entrance visa fee to Thailand
- Health and accident insurance
- Round-trip flight tickets (or other means of transportations from home country to Thailand)
- Other personal expenses

Program Duration:

- Program Start Date: 21st June, 2024 (Participants should arrive on 20th or 21st June, 2024)
- Program End Date: 18th August, 2024 (Participants should leave on 17th or 18th August, 2024)

Scheme 1:

Faculty of Science will be responsible for the following expenditure for no more than two students selected from partner universities (for two months):

Grants Detail: For no more than two selected students from each partner university:

- 1. Off-campus dormitory (rent only, utilities not included)
- 2. Research equipment
- 3. Airport pickup and drop-off (only for selected dates)
- 4. Cultural Trip

Scheme 2:

For all other selected students: The student has to pay an amount of 30,000 THB to participate in this program. The fees will cover for the rent at the off-campus dormitory, research equipment during the program, airport pickup and drop-off (only for selected dates), and a cultural trip.

What will the students get from participating in this program?

- The training for academic research process with expert faculty in various disciplines
- Exchange knowledge of different cultures and languages with foreign friends
- Practicing teamwork with fellow students in the lab

Please note that FSci would finalize and offer scholarship for students from our partner universities that meet the criteria and match with our required posts for internship at FSci
